

Upper Halfway Elementary Junior School
Digital Citizenship

All students and parents are required to acknowledge and sign School District 60's technology user agreement at the beginning of every school year in order to be able to use a district email account and district technology.

Each year, students are educated in appropriate use of technology by using Learn60's Digital Citizenship presentation:

<http://www.prn.bc.ca/wp-content/Digital-Citizenship-and-Safety-Presentation-for-GAFE-and-Learn60.pdf>

Throughout each year, students will also watch the following videos and participate in the interactive activities each link offers:

1. Brainpop Jr. Internet Safety -

<https://jr.brainpop.com/artsandtechnology/technology/internetsafety/>

2. Brainpop Digital Citizenship -

<https://www.brainpop.com/technology/digitalcitizenship/digitaletiquette/>

Students will be involved in other digital citizenship classroom activities such as role-playing, reading articles, and discussions about the importance of keeping safe when using the Internet. May 2016, all students attended Laurie Petrucci's presentation on digital footprints. Due to limited access to the Internet in our community, this was very new topic for many students.

k/1/2

- Students in this class not use the Internet unless it is through an app such as RazKids or Mathletics.

3/4/5 & 6/7/8/9

- Email writing - purpose and use
- Search Engines – purpose and use
- Apps.

Upper Halfway staff and students will be revising the school Code of Conduct in September 2016 and will be including a focus on Digital Citizenship.
